# ***Sigma Creed***

***I believe in the principles of the Phi Beta Sigma Fraternity  
and my loyalty to these transcends all personal responsibility.***

***I believe that I should be a credit to the organization,  
and that I should at all times safeguard its reputation with the best in conduct.***

***I believe in the unity of purpose as expressed in the motto  
- Culture for Service and Service for Humanity.***

***These things constitute the true test of a PHI BETA SIGMA MAN.***

## ***The Fraternity Hymn***

***The founders of our wondrous band,  
In numbers though were three  
Taught ideals high which soon became  
A part of every Phi.  
Said they, "Our cause" let us make known  
Oh brothers don't dismay;  
Fear not; fight on for in this wise***

***"Our cause speeds on its way."  
From western plains to eastern hills  
There comes a shout of praise  
A shout which tells of victory.  
Bids "Beta Sigma" raise,  
A shout which swells to loud hurrahs  
And to us seems to say;  
Fear not; fight on, for our cause  
Speeds nobly on its way.***

***March on march on, ye mighty host,  
Nor think the journey done,  
Nor of future deeds to boast,  
Till we've the victory won.  
Then when we hear, from time to time,  
"Sigma, what of the day?"  
We'll thunder back along the line:  
"Our cause speeds on its way."***
